

Dear ACG Families,

As the staff of ACG begins to put class lists together, we would like feedback that might help us place your child in the best possible circumstance. Thank you for taking the time to complete this form.

Name of child _____ Name of person completing this form _____

The following questions are meant to help us determine the best placement for your child for the next school year. Responses will be confidential and released only to persons with a “need to know”. If you wish to refrain from answering any of these, that is your privilege.

1. Please share pertinent information about family culture, traditions, religious beliefs, home language, family structure that would assist the staff to be respectful of your expectations.

Is your child a dual language learner?

Have there been any major stressors in your child’s life such as illness, death, moving, divorce, new baby?

2. How does your child handle transitions?
3. What guidance techniques are successful in your home?

Are there any behaviors that your child has exhibited that are challenging for you as parent(s)?

4. If your child had the option to “loop up” with their current teacher, would you be interested?
5. Are there any particular issues that would be helpful for the staff to know regarding your child’s toileting habits? At what stage of independent toileting is your child?

Does your child have food allergies?

Is your child a napper?

6. For newly enrolling children: Has your child been in an early childhood setting previously? How much interaction has your child had with other children? Siblings? Family?

7. What are your goals for your child this coming year at ACG?

8. Is there anything else you would like us to know to best place your child for the next school year?
